**Lunch orders** can be made from Tuesday to Friday before school starts in three ways:

1. Children may place their order (with name, class and correct money) in the box at the canteen window.
2. Children may order their lunch before going to class in the morning.
3. Parents may order lunch for their children before school in the morning.

Children may also buy drinks and snacks at lunch time.

### *Please remember*

- \* Food from home cannot be heated or toasted by the canteen
- \* Peanut butter will **NOT** be sold at the canteen.

### *About our canteen*

Our canteen is run by our canteen manager through the MSPS Parents and Citizen Association, and with the help of parent volunteers. We aim to offer quality food and are always looking for new options that encourage children to make healthy food choices. Our customers (your children) love shopping at our canteen as a special treat and we love seeing them learn valuable life skills such as money management, patience and customer etiquette along the way.

Whilst being a not for profit canteen whatever funds might be raised are spent on valuable educational resources for our school. The canteen is open from Tuesday to Friday from 8.30am to 1.50pm and with the support of our parent community we will try to keep it this way.

**THE CANTEEN IS CLOSED ON MONDAY!**

### *Want to lend a hand?*

Barbara Dwyer is our canteen manager and welcomes feedback, suggestions and all the help she can get!

Helping out is fun and your children will love it. Even if you can only spare one morning per term we'd love to hear from you. Just come and talk to us in the canteen.
